CSE 455 Homework 5

Yoshihiro Kumazawa

August 18, 2020

1 Installing PyTorch

Done!

2 Find the best network

2.1 Training a classifier using only one fully connected Layer

2.2 Training a classifier using multiple fully connected Layers

2.2.1 Question

2.3 Training a classifier using convolutions

2.3.1 Question

3 How does learning rate work?

4 Data Augmentation

5 Change the loss function
